**Nomination & Remuneration Policy:**

The Board has, on the recommendation of the Nomination & Remuneration Committee adopted a Nomination & Remuneration Policy, which inter alia includes policy for selection and appointment of Directors, Key Managerial Personnel, Senior Management Personnel and their remuneration. The highlight of the Policy is as follows:

**Procedure for selection and appointment of the Board Members****Board membership criteria:**

The Committee, along with the Board, shall review on an annual basis, appropriate skills, characteristics and experience required of a Board Member, KMP and SMP for the better management of the Company. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in areas that are relevant for the Company's global operations.

In evaluating the suitability of individual Board members, the Committee shall take into account many factors, including general understanding of the Company's business dynamics, global business and social perspective, educational and professional background and personal achievements. Directors must possess experience at policy-making and operational levels in large organizations that will indicate their ability to make meaningful contributions to the Board's discussion and decision-making in the area of complex issues facing the Company.

Director should possess the highest personal and professional ethics, integrity and values. They should be able to balance the legitimate interest and concerns of all the Company's stakeholders in arriving at decisions, rather than advancing the interests of a particular constituency.

In addition, Directors must be willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively. They must have the aptitude to critically evaluate management's working as part of a team in an environment of collegiality and trust.

The Committee shall evaluate each individual with the objective of having a group that best enables the success of the Company's business.

**Annual Evaluation of Board and Directors**

As required under the Companies Act, 2013, an evaluation of the performance of the Independent Directors was carried out by the Board of Directors during the year, based on the criteria laid down by the Nomination and Remuneration Committee. On and overall assessment, it was found that all the Independent Directors have given a good account of themselves. The Board concluded that the Independent Directors individually and collectively were well qualified and their contributions were in the interest of the Company.

The Independent Directors in a separate meeting held on 28<sup>th</sup> January, 2019 reviewed and evaluated the performance of Non-Independent Directors, Board as a whole and the performance of the Chairman of the Company.

Keeping the requirements under the Act, the Independent Directors laid down broad areas for evaluation. After detail discussion, it was concluded that the performance of the Board collectively and the Directors individually on all counts of evaluation were appreciable.

The performance of the Chairman and Executive Director was evaluated by Independent Directors for leadership and direction to the Company judging as per the parameters of the evaluation criteria and it was noted that their performance was satisfactory. It was further noted that the Chairman took proper initiative in policy decision making with the senior executives and Board.

The Board carried out the performance evaluations of its committees.

**Selection of Board Members/ extending invitation to a potential Director to join the Board:**

One of the roles of the Committee is to periodically identify competency gaps in the Board, evaluate potential candidates as per the criteria laid above, ascertain their availability and make suitable recommendations to the Board. The objective is to ensure

**Directors' Report (Contd.)**

---

that the Company's Board is appropriate at all points of time to be able to take decisions commensurate with the size and scale of operations of the Company. The Committee also identifies suitable candidates in the event of a vacancy being created on the Board on account of retirement, resignation or demise of an existing Board member. Based on the recommendations of the Committee, the Board evaluates the candidate(s) and decides on the selection of the appropriate member.

The Board then shall make an invitation (verbal / written) to the new member to join the Board as a Director. On acceptance of the same, the new Director may be appointed by the Board.

**Procedure for selection and nomination of KMPs and SMPs**

The Committee shall actively liaise with the relevant departments of the Company to study the requirement for management personnel and produce a written document thereon;

The Committee may conduct a wide-ranging search for candidates for the positions of KMP and SMP within the Company, within enterprises controlled by the Company or within enterprises in which the Company holds equity and on the human resources market;

The professional, academic qualifications, professional titles, detailed work experience and all concurrently held positions of the initial candidates shall be compiled as a written document;

A meeting of the Committee shall be convened and the qualifications, experience, skills and other capability of the initial candidates shall be examined. After such examination recommendation for appointment of KMP and SMP together with the relevant information about the appropriate candidate(s) shall be submitted to the Board of Directors;

The Committee shall carry out other follow-up tasks based on the decisions of and feedback from the Board of Directors.

**Remuneration to Non-Executive Directors:**

The Non-executive Directors of the company are paid remuneration by way of sitting fees for attending the meetings of the Board of Directors and its Committees and the commission. The sitting fees of the Non-executive Directors for attending meetings of Board of Directors and the Committees thereof may be modified from time to time only with the approval of the Board in due compliance of the provisions of Companies Act, 2013 and amended from time to time.

**Remuneration to Executive Directors, Key Managerial Personnel(s) (KMPs) & Senior Management Personnel (s) (SMPs):**

The Company has a credible and transparent framework in determining and accounting for the remuneration of the Managing Director/Whole Time Directors (MD/WTDs), Key Managerial Personnel(s) (KMPs) and Senior Management Personnel(s) (SMPs). Their remuneration shall be governed by the external competitive environment, track record, potential, individual performance and performance of the Company as well as industry standards. As a policy, the Executive Directors are neither paid sitting fee nor any commission.

**INDEPENDENT AUDITORS' REPORT**

TO

THE MEMBERS OF

**HINDUSTHAN ENGINEERING & INDUSTRIES LIMITED****Report on the Standalone Financial Statements****Qualified Opinion**

We have audited the accompanying Standalone Financial Statements of **Hindusthan Engineering & Industries Limited** ("the company"), which comprise the Balance Sheet as at **31<sup>st</sup> March, 2019**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph the aforesaid Standalone Financial Statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at **31<sup>st</sup> March, 2019**, and its Statement of Profit and Loss (including other comprehensive income), its cash flows and the statement of changes in equity for the year ended on that date.

**Basis for Qualified Opinion**

- a. Note No. 29 in respect of accounting of effect of certain reliefs/concessions which are yet to be approved by respective authorities. In view of pendency in disposal of such claims, we are unable to comment the impact, if any, thereof on the profit for the year & reserve & surplus at the year end.
- b. Note No. 34 in respect of Loan to the subsidiary company, Note No. 36 in respect of Loans given, Note No. 38 in respect of Trade Receivables & Advances, whereby the extent of amounts recoverable there against is presently not ascertainable & therefore provision there against & consequential impact thereof, if any, on the profit for the year & reserves & surplus could not be ascertained & commented upon by us.

These matters were also qualified in our report on the financial statements for the year ended 31<sup>st</sup> March, 2018.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

**Responsibility of Management for Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and Statement of changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) rules, 2015 as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

**INDEPENDENT AUDITORS' REPORT (Contd.)**

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

**Report on other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable, as under:
  - i) The company is maintaining proper records showing full particulars including quantitative details & situation of fixed assets. On the basis of available records checked by us as well as according to information available, the physical verification of fixed assets has been carried out by the management during the year in a phased manner according to a regular programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. As far as verified & reconciled during the year, no material discrepancies have been noticed on such verification. Based on the audit procedure applied by us & as per information available and explanations given to us, we report that the title deeds of immovable properties are held in the name of the company.
  - ii) The management has conducted physical verification of inventory at reasonable intervals. Discrepancies noticed on such verification of inventory as compared to book records, which were not material, have been appropriately adjusted in the accounts.
  - iii) The company has given loans to companies, firms & other parties covered in the register maintained under section 189 of the Companies Act, 2013. Based on the audit procedure applied by us & as per information available and explanations given to us, we are of the opinion that the terms & conditions of such loans granted during the year are not prejudicial to the interest of the company. According to the information available & explanation given to us, the repayment of principal amount & interest is not being received regularly. The total amount of loan & interest thereon remaining overdue for more than 90 days was Rs.9,253.38 lakh. We have been told that necessary persuasive & other steps for recovery of the same are being taken by the company for recovery of the same.
  - iv) According to the information available & explanations given to us, the company has complied with the provisions of Section 185 & 186 of the Act, wherever applicable, in respect of loans given and investments made during the year. We have been told that no guarantee or security has been issued by the company.
  - v) According to the information available & explanations given to us, the company has not accepted any deposit from public within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and rules framed there under.
  - vi) Based on the audit procedure applied by us & as per information available and explanations given to us, we report that the company has been maintaining cost records pursuant to the Companies (Cost Records and Audit) Rules 2014 specified by the Central Government of India under section 148 (1) of the Companies Act, 2013. We have, however, not made detailed examination of the same to determine whether they are complete & accurate.
  - vii) a) According to the records of the company, the company is generally regular in depositing undisputed statutory dues including Income Tax, Provident Fund, ESI, Custom Duty, GST with appropriate authorities. According to the information available & explanation given to us, there are no undisputed statutory dues outstanding as at the year-end for a period of more than six months from the date of the same becoming payable.

**INDEPENDENT AUDITORS' REPORT (Contd.)****Annexure- A to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) sub –section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of **Hindusthan Engineering & Industries Limited** ('the Company') as of **31<sup>st</sup> March, 2019** in conjunction with our audit of the standalone financial statements of the Company for the year ended on the date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Company asset; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements,

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**INDEPENDENT AUDITORS' REPORT (Contd.)**

---

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March, 2019**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019****1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES****Corporate Information**

Hindusthan Engineering & Industries Limited is a public Company domiciled in India & incorporated under the provision of the erstwhile Companies Act, 1956. It is mainly engaged in production of Jute goods, Chemicals, Railway Wagons & Railway Rolling Stock.

The Registered Office of the Company is situated at 27, Sir R N Mukherjee Road, Kolkata - 700 001

**Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accountings Standard) Rules, 2015 (as amended) read with section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

**Basis of Preparation**

The Financial Statements have been prepared under the historical cost convention on accrual basis except for certain financial instruments that are measured in terms of relevant Ind AS at fair values/amortised costs at the end of each reporting period.

The standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest to thousands except otherwise stated.

**Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The company categorizes Assets and Liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3: inputs for the assets or liabilities which are not based on observable market data.

**Property, Plant and Equipment**

Property, Plant and Equipment (PPE) are stated at cost of acquisition or deemed cost on date of transition less accumulated depreciation and impairment losses, if any. Cost of an asset comprises of purchase price, borrowing cost and any other cost directly attributable to bringing the assets to its working condition for its intended use.

Capital work in progress includes machinery to be installed, construction and erection materials, borrowing costs, unallocated pre-operative and other expenditures directly attributable towards construction and erection of the assets.

Depreciation on PPE commences when the assets are ready for their intended use. Depreciation has been provide on straight line method as per the useful life specified under Schedule II to the Companies Act, 2013. Depreciation on incremental cost arising on account of exchange difference is computed prospectively with respect to the residual life of respective asset.

Leasehold Land is amortised over the period of lease.

**Intangible Assets**

Intangible assets are amortised over the useful life using straight line method and assessed for impairment whenever there is an indication of the same. Accordingly, intangible assets have been amortised over a period of 3 to 5 years on straight line basis.

**Impairment of Tangible and Intangible Assets**

Impairment of assets are assessed at each Balance Sheet date and loss is recognised whenever the recoverable amount of an asset is less than its carrying amount. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

**Financial Assets and Liabilities**

Financial assets and financial liabilities (financial instruments) are recognised when company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company which is generally taken as 12 months otherwise these are classified as non- current.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)**

The classification of financial instruments whether to be measured at amortised cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate.

Classification of financial instruments are determined on initial recognition.

**(i) Financial assets and financial liabilities measured at Amortised Cost**

Financial assets held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows are measured at amortised cost.

The financial assets and financial liabilities subsequent to initial recognition are measured at amortised cost using Effective Interest Rate (EIR) method.

**(ii) Financial Asset at Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

**(iii) Financial Assets or Liabilities at Fair Value Through Profit or Loss (FVTPL)**

Financial instruments which do not meet the criteria of amortised cost or fair value through other comprehensive income are measured at Fair Value through Profit or Loss.

**Impairment of financial assets**

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flow of that asset.

The company measures the loss allowance for a financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12 months expected credit losses.

However, for trade receivable or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**De-recognition of financial instruments**

The company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities are derecognized if the company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liabilities/assets derecognized and the consideration there against is recognized in Statement of Profit and Loss.

**Inventories**

Inventories are stated at lower of cost & net realisable value. Inventory of finished goods, where the products are made under specific orders, are recognized only on approval of the product by the prospective buyer. The cost for the purpose of valuation of raw materials is being computed on FIFO basis except in case of Jute & Chemical Units where weighted average method is being followed. Cost for the purpose of valuation of stores and spares is computed on weighted average method. Cost of work-in-progress and finished goods represents estimated cost of raw materials, direct labour and appropriate portion of factory overhead in most of the cases.

The liability for GST on the bonded materials as at the end of the year are duly provided for. No provision is made of GST on finished goods as at the year end.

**Foreign Currency Transactions**

Transactions in foreign currencies are accounted for at the exchange rate prevailing at the time of the transaction. Foreign currency monetary assets and liabilities at the year end are translated using closing exchange rates. The loss or gain thereon and also on the exchange differences on settlement of foreign currency transactions during the year (except those relating to the fixed assets which are adjusted to the cost of the assets) are recognised as income or expense and are adjusted to the Statement of Profit and Loss.

**Revenue****Sales**

Sales include excise duty/cess but exclude CST/VAT/GST and are accounted for on passing of property of goods irrespective of actual despatches. Rebates, discounts, claims and other non-recoverables are excluded therefrom.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)****Interest, Dividend and Claims**

Dividend income is recognized when the right to receive payment is established. Interest income is accounted on time proportion basis taking into account amount outstanding & rate applicable unless otherwise stated. Insurance claims/other claims are accounted as and when admitted/determined.

**GST Credit**

GST Credit admissible against GST paid on goods/Fixed Assets are accounted for by reducing the purchase cost of the related goods/Fixed Assets.

**Employee Benefits**

Contributions to defined Schemes such as Provident Fund/Pension Fund, Employees State Insurance Scheme are charged to Statement of Profit & Loss on accrual basis. The Company also provides for gratuity and leave encashment in accordance with projected Unit Credit Method based on actuarial valuation carried out as at the Balance sheet date.

**Borrowing Cost**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

**Research and Development**

Expenditure on research and development except capital expenses which are shown as additions to fixed assets, are charged to Statement of Profit and Loss in the year in which these are incurred.

**Leases**

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risk and rewards incidental to the ownership of an asset to the company. All other leases are classified as operating leases.

Finance leases are capitalized at the inception of the lease at lower of its fair value and the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Any initial direct cost of the lessee is added to the amount recognized as an asset. Each lease payment is apportioned between finance charge and reduction of the lease liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the outstanding amount of the liabilities.

Payments made under operating leases are recognized as expenses on a straight-line basis over the term of the lease.

**Government Grants**

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise for acquisition of non current assets are credited to respective assets.

**Taxes on Income**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws enacted or substantively enacted on the Balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future. Deferred Tax Assets & Deferred Tax Liabilities have been offset as they relate to the same governing tax laws.

**Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statement.

**Earning Per Share**

Basic earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied when calculating the defined benefit obligation recognised within the Balance sheet.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)****(ii) Fair Value Technique**

The fair values of the financial assets and liabilities are included at the amount that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, trade receivables, trade payables, financial liabilities and borrowings approximate their carrying amount largely due to the short term nature of these instruments. The board considers that the carrying amounts of the financial assets and financial liabilities are recognised at cost/amortised costs in the financial statements approximates their fair values.
- Fair value of debt approximates their carrying value subject to adjustments made for transaction cost, if any.
- Investments in liquid and short-term mutual funds are measured using their net asset value at the reporting date multiplied by the quantity held.
- During the year ended 31st March 2019 and 31st March 2018, there were no transfers between different levels of fair value measurement.

**46 FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES**

The Company's financial liabilities comprise borrowings, capital creditors and trade and other payables, The main purpose of these financial liabilities is to finance the company's operations. The company's financial assets include trade and other receivables, cash and cash equivalents, investments at cost/fair value and deposit.

The Company is exposed to market risk. The company's senior management oversees the management of the risks. The Board of Directors reviews and agrees to policies for managing each of these risks, which are summarised below:

**1) Market Risk**

Market risk is the risk that the fair value of future cash flow of a financial instrument will fluctuate because of changes in market prices. Market risk mainly comprises of risk, such as raw material price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.

**(i) Foreign currency risk**

**49 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosure of contingent liabilities. Unncertainty about these assumption and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**JUDGEMENTS****Fair value as Deemed Cost for Property, Plant & Equipment**

Property, plant and equipment has been carried in accordance with previous GAAP carrying value as deemed cost at the date of transition, which has been considered as deemed cost. On transition, previous GAAP revaluation reserve has also been transferred to retained earnings.

**Lease as Finance Lease**

Lease as Finance Lease has been included in the Property, Plant and Equipment while considering the overall context of transfer of risk and rewards incidental to ownership.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)****Depreciation/Amortisation of and Impairment Loss on Property, Plant and Equipment/Intangible Assets:**

Property, Plant and Equipment are depreciated and intangible assets are amortised on straight line basis over the estimated useful lives (or Lease Term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable. The company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/amortisation expense to be recorded during any reporting period. This reassessment may result in change in depreciation expense in future periods.

The Company reviews its carrying value of its Tangible and Intangible assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount.

**Impairment loss on Trade Receivables:**

The Company evaluated whether there is any objective evidence that trade receivable are impaired and determines the amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivable balances, creditworthiness of the trade receivables and historical written off experience. If the financial conditions of the trade receivables were to deteriorate, actual writeoffs would be higher than estimated.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimations uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year, are described above. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumption about the future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumption when they occur.

**Defined benefit plans (gratuity benefits)**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumption that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rate of government bonds in currencies consistent with the currencies of the post employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes.

Future salary increases are based on expected future inflation rates.

**Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active market, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT**

TO  
THE MEMBERS OF  
**HINDUSTHAN ENGINEERING & INDUSTRIES LIMITED**  
**Report on the Consolidated Financial Statements**

**Qualified Opinion**

We have audited the accompanying Consolidated Financial Statements of **Hindusthan Engineering & Industries Limited** ("the Holding Company"), its subsidiary (the Holding Company & its subsidiary together referred to as "the Group") and its associates, which comprise the Balance Sheet as at **31<sup>st</sup> March, 2019**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion Paragraph the aforesaid Consolidated Financial Statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at **31<sup>st</sup> March, 2019**, and its Statement of Profit and Loss (including other comprehensive income), its cash flows and the statement of changes in equity for the year ended on that date.

**Basis for Qualified Opinion**

- a. Note No. 29 in respect of accounting of effect of certain reliefs/concessions which are yet to be approved by respective authorities. In view of pendency in disposal of such claims, we are unable to comment the impact, if any, thereof on the profit for the year & reserve & surplus at the year end.
- b. Note No. 35 in respect of Loans given, Note No. 37 in respect of Trade Receivables & Advances, whereby the extent of amounts recoverable there against is presently not ascertainable & therefore provision there against & consequential impact thereof, if any, on the profit for the year & reserves & surplus could not be ascertained & commented upon by us
- c. Paragraph (c) under 'Principles of Consolidation' in Note No. 1(B) – 'Significant Accounting Policies' which states that in the absence of information in respect of net assets and profit/loss of the associates as on the date of acquisition/change in holding of shares of respective associates, goodwill or capital reserve, as the case may be, on consolidation, has been calculated on the basis of the latest audited financial statements immediately preceding the date of acquisition of shares of respective associates. In case of consolidated financial statements of the associates, such goodwill or capital reserve, as the case may be, on consolidation, has not been recognised in the consolidated accounts. This constitutes a departure from the Accounting Standard – 23 "Accounting for Investments in Associates in Consolidated Financial Statements" impact of which on the consolidated financial statements could not be ascertained & commented upon by us.

These matters were also qualified in our report on the financial statements for the year ended 31<sup>st</sup> March, 2018.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

**Responsibility of Management for Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and Statement of changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) rules, 2015 as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making

**INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT (Contd.)**

judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

**Other Matters**

We did not audit the financial statements/financial information of the subsidiary company whose financial statements/financial information reflect total assets of Rs. 1,210.94 lakhs and net assets of Rs. 140.15 lakhs as at 31<sup>st</sup> March, 2019, total revenue of Rs. Nil and net cash flows of Rs. (-) 0.33 lac for the year ended on that date as considered in the consolidated financial statements. The consolidated financial statements also include Group's share in net profit/loss of Rs. 1.31 lakhs for the year ended 31<sup>st</sup> March, 2019, as considered in the consolidated financial statements, in respect of four associates, whose financial statements have not been audited by us. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiary & associates, and our report in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary & associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. Except for the effects of the matters described in the basis for qualified opinion paragraph above, In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Cash Flow Statement and Statement of changes in equity dealt by this report are in agreement with the books of account.
- d. Except for the effects of the matter described in the basis for qualified opinion paragraph above, in our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
- e. The matters described in the basis for qualified opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the company.
- f. On the basis of written representations received from the directors as on **31 March, 2019**, taken on record by the Board of Directors, none of the directors is disqualified as on **31 March, 2019**, from being appointed as a director in terms of Section 164(2) of the Act.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in Annexure 'A'.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements-Refer Note No. 30 to the Consolidated Financial Statements.

**INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT (Contd.)**

**INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT (Contd.)****Annexure- A to the Auditors' Report****Report on the Internal Financial Controls under Clause (i) sub –section 3 of Section 143 of the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of **Hindusthan Engineering & Industries Limited** ("the Holding Company"), its subsidiary (the Holding Company & its subsidiary together referred to as "the Group") and its associates as of **31<sup>st</sup> March, 2019** in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on the date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the Company asset; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements,

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT (Contd.)**

---

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March, 2019**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Principles of Consolidation**

The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Holding Company and its subsidiary company are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21 - "Consolidated Financial Statements".
- The difference between the cost of investment in the subsidiary over the net assets at the time of acquisition of shares in the subsidiary is recognised in the financial statements as Goodwill or Capital Reserve, as the case may be. However in case of consolidated financial statement of Associates companies such Goodwill/Capital Reserve has been disclosed by way of notes only.
- Investment in Associate Companies has been accounted under the equity method as per Accounting Standard (AS) 23 - "Accounting for Investments in Associates in Consolidated Financial Statements". However, since the portion of net assets & profit/loss as on the date of acquisition of shares of respective associate company is not available, the same has been taken as per the latest audited financial statements for the purpose of determining goodwill or capital reserve, as the case may be on consolidation and also for the purpose of determining share of profit in Associates.
- The Company accounts for its share of post acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Consolidated Profit and Loss Statement, to the extent such change is attributable to the associate's Profit and Loss Statement and through its reserves for the balance based on available information.
- The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified/disclosed in the financial statements as Goodwill or Capital Reserve as the case may be.

**Statement of Profit & Loss**

The subsidiary of the Company is yet to commence commercial production and hence does not prepare Statement of Profit & Loss.

**Statement of Compliance**

These financial statements comply in all material aspects with Indian Accounting Standard (Ind AS) notified under the Companies (Indian Accountings Standard) Rules, 2015 (as amended) read with section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

**Basis of Preparation**

The Financial Statements have been prepared under the historical cost convention on accrual basis except for certain financial instruments that are measured in terms of relevant Ind AS at fair values/amortised costs at the end of each reporting period.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)**

The consolidated Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest to thousands except otherwise stated.

**Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The company categorizes Assets and Liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3: inputs for the assets or liability which are not based on observable market data.

**Property, Plant and Equipment**

Property, Plant and Equipment (PPE) are stated at cost of acquisition or deemed cost on date of transition less accumulated depreciation and impairment losses, if any. Cost of an asset comprises of purchase price, borrowing cost and any other cost directly attributable to bringing the asset to its working condition for its intended use.

Capital work in progress includes machinery to be installed, construction and erection materials, borrowing costs, unallocated pre-operative and other expenditures directly attributable towards construction and erection of the assets.

Depreciation on PPE commences when the assets are ready for their intended use. Depreciation has been provided on straight line method as per the useful life specified under Schedule II to the Companies Act, 2013. Depreciation on incremental cost arising on account of exchange difference is computed prospectively with respect to the residual life of respective asset.

Leasehold Land is amortised over the period of lease.

**Intangible Assets**

Intangible assets are amortized over the useful life using straight line method and assessed for impairment whenever there is an indication of the same. Accordingly, Intangible assets have been amortized over a period of 3 to 5 years on straight line basis.

**Impairment of Tangible and Intangible Assets**

Impairment of assets are assessed at each Balance Sheet date and loss is recognised whenever the recoverable amount of an asset is less than its carrying amount. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

Financial assets and financial liabilities (financial instruments) are recognized when company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company which is generally taken as 12 month otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at amortized cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate.

Classification of financial instruments are determined on initial recognition.

**(i) Financial assets and financial liabilities measured at Amortized Cost**

Financial assets held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows are measured at amortized cost.

The financial assets and financial liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

**(ii) Financial Asset at Fair Value Through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

**(iii) Financial Assets or Liabilities at Fair Value Through Profit or Loss (FVTPL)**

Financial instruments which do not meet the criteria of amortized cost or fair value through other comprehensive income are measured at Fair Value through Profit or Loss.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)****Impairment of financial assets**

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flow of that asset.

The company measures the loss allowance for a financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivable or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

**De-recognition of financial instruments**

The company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Financial liabilities are derecognized if the company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability/assets derecognized and the consideration there against is recognized in Statement of Profit and Loss.

**Inventories**

Inventories are stated at lower of cost & net realisable value. Inventory of finished goods, where the products are made under specific orders, are recognized only on approval of the product by the prospective buyer. The cost for the purpose of valuation of raw materials is being computed on FIFO basis except in case of Jute & Chemical Units where weighted average method is being followed. Cost for the purpose of valuation of stores and spares is computed on weighted average method. Cost of work-in-progress and finished goods represents estimated cost of raw materials, direct labour and appropriate portion of factory overhead in most of the cases.

The liability for GST on the bonded materials as at the end of the year are duly provided for. No provision is made of GST on finished goods as at the year end.

**Foreign Currency Transactions**

Transactions in foreign currencies are accounted for at the exchange rate prevailing at the time of the transaction. Foreign currency monetary assets and liabilities at the year end are translated using closing exchange rates. The loss or gain thereon and also on the exchange differences on settlement of foreign currency transactions during the year (except those relating to the fixed assets which are adjusted to the cost of the assets) are recognised as income or expense and are adjusted to the Statement of Profit and Loss.

**Revenue****Sales**

Sales include excise duty/cess but exclude CST/VAT/GST and are accounted for on passing of property of goods irrespective of actual despatches. Rebates, discounts, claims and other non-recoverables are excluded therefrom.

**Interest, Dividend and Claims**

Dividend income is recognized when the right to receive payment is established. Interest income is accounted on time proportion basis taking into account amount outstanding & rate applicable unless otherwise stated. Insurance claims/other claims are accounted as and when admitted/determined.

**GST Credit**

GST Credit admissible against GST paid on goods/Fixed Assets are accounted for by reducing the purchase cost of the related goods/Fixed Assets.

**Employee Benefits**

Contributions to defined Schemes such as Provident Fund/Pension Fund, Employees State Insurance Scheme are charged to Statement of Profit & Loss on accrual basis. The Company also provides for gratuity and leave encashment in accordance with projected Unit Credit Method based on actuarial valuation carried out as at the balance sheet date.

**Borrowing Cost**

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019 (Contd.)****Research and Development**

Expenditure on research and development except capital expenses which are shown as additions to fixed assets, are charged to Statement of Profit and Loss in the year in which these are incurred.

**Leases**

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risk and rewards incidental to the ownership of an asset to the company. All other leases are classified as operating leases.

Finance leases are capitalized at the inception of the lease at lower of its fair value and the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Any initial direct cost of the lessee is added to the amount recognized as an asset. Each lease payment is apportioned between finance charge and reduction of the lease liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the outstanding amount of the liabilities.

Payments made under operating leases are recognized as expenses on a straight-line basis over the term of the lease.

**Government Grants**

Government grants are recognized on systematic basis when there is reasonable certainty of realization of the same. Revenue grants including subsidy/ rebates are credited to Statement of Profit and Loss Account under "Other Income" or deducted from the related expenses for the period to which these are related. Grants which are meant for purchase, construction or otherwise for acquisition of non current assets are credited to respective assets.

**Taxes on Income**

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws enacted or substantively enacted on the balance sheet date. Deferred tax asset is recognized and carried forward only to the extent that there is virtual certainty that the asset will be realized in future. Deferred Tax Assets & Deferred Tax Liabilities have been offset as they relate to the same governing tax laws.

**Provisions, Contingent liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statement.

**Earning Per Share**

Basic earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

- 38** The Subsidiary of the Company was awarded the aforesaid Integrated Lignite Mining-cum-Power Generation Project through International Competitive Bidding by Government of Rajasthan (GOR) in 1996. Necessary Implementation Agreement and Power Purchase Agreement were signed by the Company with the concerned Authorities. The Company obtained all the approvals required by making all out efforts and incurring huge expenses. However, even after a period of 4 years, GOR was unable to give the Mining Lease Approval, which is an essential pre-requisite for setting up the plant as Mining was an integral part of the project as per tender conditions. This failure on the part of GOR halted the project and nothing could move further. GOR, thereafter, declared the Implementation Agreement ineffective. The matter was referred to arbitration between the Company and GOR. The Arbitral Tribunal vide its Award dated 2.1.2007, has awarded a sum of Rs.11 40 33/- to the company with future interest against GOR. The objections filed by GOR in the court of District Judge, Jaipur City, Jaipur have been rejected and award has been upheld by the court. GOR has filed an appeal before Hon'ble High Court of Rajasthan at Jaipur.

(Rupees in '000)

Particulars	Gratuity (Unfunded)	Leave (Unfunded)
Remeasurement		
Actuarial loss/(gain) for the year ended March 31,2018	(1 24 16)	81 11
Actuarial loss/(gain) for the year ended March 31,2019	(4 39 68)	78 42

**4. The principal actuarial assumptions used for estimating the Company's defined benefit obligations in respect of Gratuity & Leave are set out as below:**

Weighted average actuarial assumptions	For the year ended March 31,2019	For the year ended March 31,2018
Attrition rate	1% to 8%	1% to 8%
Discount rate	7.70%	7.75%
Expected rate of increase in salary	6.00%	6.00%
Expected rate of return on plan assets	0.00%	0.00%
Mortality rate	IALM(2006-08) Table	

**5. Sensitivity Analysis:**

(Rupees in '000)

Particulars		Change in Assumption	Effect on Gratuity obligation	
			For the year ended March 31,2019	For the year ended March 31,2018
<b>(a) Gratuity</b>				
Discount rate	> 1%	(3 83 86)	(5 52 46)	
	<1%	4 25 12	2 87 71	
Salary Growth rate	> 1%	4 50 94	3 15 63	
	<1%	(4 12 81)	(5 83 31)	
Withdrawal Rate	> 1%	35 96	12 54 10	
	<1%	(38 79)	(1 98 29)	
<b>(b) Leave Encashment</b>				
			Effect on Leave obligation	
Discount rate	> 1%	(23 47)	(25 22)	
	<1%	26 57	28 56	
Salary Growth rate	> 1%	27 60	29 86	
	<1%	(24 67)	(26 68)	
Withdrawal Rate	> 1%	2 86	3 20	
	<1%	(3 16)	(3 54)	

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance sheet.

**(ii) Fair Value Technique**

The fair values of the financial assets and liabilities are included at the amount that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, trade receivables, trade payables, financial liabilities and borrowings approximate their carrying amount largely due to the short term nature of these instruments. The board considers that the carrying amounts of the financial assets and financial liabilities are recognised at cost/amortised costs in the financial statements approximates their fair values.
- Fair value of debt approximates their carrying value subject to adjustments made for transaction cost if any
- Investments in liquid and short-term mutual funds are measured using their net asset value at the reporting date multiplied by the quantity held.
- During the year ended 31st March 2019 and 31st March 2018, there were no transfers between different levels of fair value measurement

**47 FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES**

The Company's financial liabilities comprise borrowings, capital creditors and trade and other payables, The main purpose of these financial liabilities is to finance the company's operations. The company's financial assets include trade and other receivables, cash and cash equivalents, investments at cost/fair value and deposit.

The Company is exposed to market risk. The company's senior management oversees the management of the risks. The Board of Directors reviews and agrees to policies for managing each of these risks, which are summarised below:

**I) Market Risk**

Market risk is the risk that the fair value of future cash flow of a financial instrument will fluctuate because of changes in market prices. Market risk mainly comprises of risk, such as raw material price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.

**(i) Foreign currency risk**

The company undertakes transactions denominated in different foreign currency primarily in USD & EURO and consequently exposed to exchange rate fluctuations. Exchange rate exposures are managed within approved policy parameters. The carrying amount of the company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as disclosed under Note No.44 above.

**Foreign Currency Sensitivity**

The company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2019**

As per management assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

Net Long Term debt to Value Ratio	100%	100%

**50 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosure of contingent liabilities. Unncertainty about these assumption and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**JUDGEMENTS****Fair value as Deemed Cost for Property Plant & Equipment.**

Property, plant and equipment has been carried in accordance with previous GAAP carrying value as deemed cost at the date of transition , which has been considered as deemed cost. On transition, previous GAAP revaluation reserve has also been transfered to retained earnings.

**Lease as Finance Lease**

Lease as Finance Lease has been included in the Property, Plant and Equipment while considering the overall context of transfer of risk and rewards incidental to ownership.

**Depreciation/Amortisation of and Impairment Loss on Property Plant and Equipment/Intangible Assets:**

Property, Plant and Equipment are depreciated and intangible assets are amortised on straight line basis over the estimated useful lives (or Lease Term if shorter) in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable. The company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation/amortisation expense to be recorded during any reporting period. This reassessment may result in change in depreciation expense in future periods.

The Company reviews its carrying value of its Tangible and Intangible assets whenever there is objective evidence that the assets are impaired. The required level of impairment losses to be made is estimated by reference to the estimated value in use or recoverable amount.

**Impairment loss on Trade Receivables:**

The Company evaluated whether there is any objective evidence that trade receivable are impaired and determines the amount of impairment loss as a result of the inability of the debtors to make required payments. The Company bases the estimates on the ageing of the trade receivable balances, creditworthiness of the trade receivables and historical written off experience. If the financial conditions of the trade receivables were to deteriorate, actual writeoffs would be higher than estimated.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimations uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year, are described above. The company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumption about the future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumption when they occur.

**Defined benefit plans (gratuity benefits)**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumption that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and it's long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the mangement considers the interest rate of government bonds in currencies consistent with the currencies of the post employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes.

Future salary increases are based on expected future inflation rates.

**Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active market, there fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.
